Meeting took place between Georges GRISAR, EHRENFELS  
and SCHUNKE at Grand Hotel, PARIS. EHRENFELS suggested  
that Georges GRISAR should enter his (S') service,  
but SCHUNKE refused. EHRENFELS told Georges that he  
could work for him without letting SCHUNKE know, as  
his service was "military" and SCHUNKE's was "political"  
So Georges joined EHRENFELS' service.
